Add On Course on “Human Development and Learning” Conducted by IQAC, Bangabasi Morning College on and from 11-November-2019 to 25-November-2019

IQAC, Bangabasi Morning College, conducted an Add on Course on “Human Development and Learning” on and from 11-November-2019 to 25-November-2019. This course focused on understanding the psychological, social, and cognitive aspects of human growth from infancy through adulthood. It will cover factors such as genetics, environment, culture, family dynamics, and socio-economic status that impact human development and learning outcomes. They will explore different theories of learning and how they apply to educational settings and beyond. This course is beneficial to the students to enhance their qualifications for careers in education, child development, counselling, social work, healthcare, and other fields where understanding human development is crucial. Total 602 students registered themselves for the course and 588 students completed the course successfully.

Syllabus

Module 1: Introduction to Human Development (3 Hours)

- Overview of human development theories (1 Hour)
- Historical perspectives on human development (1 Hour)
- Research methods in studying human development (1 Hour)

Module 2: Prenatal and Infancy Development (3 Hours)

- Prenatal development stages and influences (1 Hour)
- Birth and early infancy: physical, cognitive, and socio-emotional development (1 Hour)
- The role of caregivers and attachment theories (1 Hour)

Module 3: Childhood Development (3 Hours)
