Bangabasi Morning College organised an extensive "Awareness Programme on Electoral Literacy" on September 19, 2023. This initiative was conducted under the guidance of the Electoral Literacy Club (ELC) in collaboration with the Internal Quality Assurance Cell (IQAC). 104 students of our college participated in this programme. The program aimed to sensitise individuals about the significance of participating in elections with integrity, understanding their rights and obligations as voters, and fostering a deeper comprehension of democratic principles. Through interactive sessions and informative discussions, attendees were empowered to become more informed and conscientious members of the electorate, thereby contributing to the strengthening of democratic processes within the community.
