BRIEF HISTORY OF THE COLLEGE

Principal Prasanta Kumar Bose, the illustrious and worthy son of Acharya Girish Chandra Bose, founder of Bangabasi College, an eminent educationist of Bengal, founded the Morning section of the Bangabasi College for the needy employed students in 1940 to teach Commerce.

In 1944 Principal Bose opened up the Arts and Science faculties in the evening time. Finally employed women were also enrolled as students by Principal Bose. Through the introduction of the Phase Reduction Scheme of the University Grants Commission, Bangabasi Morning College came into a separate existence on 11 April, 1965; under the guidance and direction of Principal Prasanta Kumar Bose. At that time there were ten thousand students in Bangabasi College, but the number of students in the colleges of West Bengal had to be reduced as per the University Grants Commission scheme. In accordance with the Scheme, Bangabasi College was split up into three separate colleges. The morning shift was named Bangabasi Morning College under a separate Governing Body. During the Second World War a branch of the Bangabasi College was established in Kushtia (now in Bangladesh) in 1942, as the people of Kolkata were troubled by the bombing of Japanese troops. After the Second World War it was closed.

Bangabasi Morning College is located in the vicinity of Sealdah Station in Kolkata. Bangabasi College is an educational institution with a rich cultural tradition in its background. It had its genesis in the prophetic vision and spirit of sacrificial dedication of Acharya Girish Chandra Bose. At the outset, Bangabasi College was founded under private management in 1887 and had as its guiding inspiration the genius of Pandit Iswar Chandra Vidyasagar. The aim of the college was basically two-fold-to cater to the growing demand for higher education and to nurture the spirit of nationalism in the minds of young learners under colonial yoke. It marked an indirect protest-challenging the narrow educational policy of the Hunter Commission.

This institution seminally emerged from Bangabasi School, founded by Acharya Girish Chandra Bose in 1855 in Bowbazar Street. The college moved into its present premises at 19, Scott Lane (now Raj Kumar Chakraborty Sarani) in 1903.

The College derived its name from the then patriotic newspaper Bangabasi. Acharya Girish Chandra Bose, a man of astounding personality and foresight, filled with a missionary zeal of patriotic reverberation, planted this sapling at 16, Bowbazar Street on 1 June, 1887, with only five teachers and twelve students. The sapling withstood the storms and stresses of the decades and now like a very big banyan tree gives shade and extends shelter to several thousand students of merit and ability, hundreds of teachers and with real integrity and acquisition and many non-teachers of admirable efficiency. The college has a composite amalgum of academics and student community.

During the days of alien rule the Institution served as a refuge for political sufferers students as well as teachers. The nationalist spirit nurtured by the College was amply evident in the active participation of students and teachers in the agitation against the partition of Bengal in 1905 and also in the Civil Disobedience Movement culminating in the supreme sacrifice of martyr Jatindra Nath Das, an undergraduate student of the college, in his epic fast for unto death in Lahore Jail on 13 September, 1929.

Some of the illustrious teachers of this College such as Laldy Mohan Mitra and Satyananda Roy, were the pioneers to extend the facilities of higher education to the toiling mass of the working students who were compelled to engage themselves in different jobs in the day-time and were deprived of college education, by opening the morning classes under the banner of Bangabasi Morning College.

GOALS AND OBJECTIVES OF THE COLLEGE

Ishwar Chandra Vidyasagar

(Born : 26th September 1820)

(Died : 29th July 1891)

Since its inception, Bangabasi Morning College has embarked on the task of instilling a value-based nationalistic knowledge-base along with scientific understanding. Disseminating knowledge in society by this holistic and futuristic model of education as conceived by its illustrious founder Acharya Girish Chandra Bose has been the primary mission of this Institution. Throughout its history Bangabasi Morning College has dedicated itself to the cause of the poor and underprivileged students. It is still continuing this mission by arranging scholarships, stipends from different agencies and by granting free and subsidised studentship and financial support to the poor and meritorious students from the Students' Aid Fund of the College. Being morning college, this Institution is serving another social need, that is extending the educational opportunities to the students who are engaged in different jobs in various parts of the city of Kolkata and its outskirts during the daytime. In fact, the main aim of this college has always been to provide educational opportunities to the poor, underprivileged and in-service students, a substantial proportion of whom are first-generation learners. Although the college does not have the requisite authority to design the curricula, the teachers are always keen to handle the different parts of the syllabi flexibly according to the needs of the learners. The College has wide-ranging courses from almost all the major streams to offer to its students. Keeping in mind to the local, regional and national needs the College has, from time to time introduced a range of new courses and upgraded the existing courses so that the students are exposed to the changing needs of our society. The College also regularly seeks peer reviews from different academicians and re-orient its activities as and when some valuable suggestions for change come. Bangabasi Morning College is whole-heartedly dedicated to the all-round development of personality of all its students by imparting a value-based, liberal, modern and self-reliant education.

ACHIEVEMENTS

Affiliated to the University of Calcutta in accordance with the 2(f) and 12(b) clauses of the University Grants Commission, Bangabasi Morning College is still a great example of a co-educational Institution during the morning time offering three-year Honours course in different subjects. In its continuing endeavour for imparting education to all its students, including a substantial proportion of first-generation learners, in a simple but effective manner the college has made its mark as one of the premier academic institutions in the state of West Bengal. Its contribution in extending frontiers of socially significant knowledge is well-manifested through its illustrious alumni as many of its ex-students hold key positions in various fields both within the country and Many eminent educationists, ministers, Policy-makers, doctors, technocrats, bureaucrats and social workers have graduated from this College. This College is now making a special effort for placement of students at the end of college-life. Thus, we have recently introduced self-financing courses and are planning to open more in the near future. The College is committed to providing an education that is consistent with the needs of an evolving knowledge-based society.

It is to be mentioned with pride that our College has been re-accredited with "A" grade by the National Assessment and Accreditation Council (NAAC) in December 2016.

SCALING NEW HEIGHTS

Given the paucity of space and limitations of time imposed by the dynamics of running three colleges in the same building, we are held back from increasing hours of teaching -learning and expanding infrastructural facilities/components at virtually every turn. Such constraints can potentially have a stagnating effect on the institution in the long run, especially resources cannot be made satisfactorily available to supplement human

resources, however rich, sincere and committed. In December 2016, to our great delight, such apprehensions were dispelled when the entire college fraternity worked

together for re-accreditation by the NAAC Peer Team and earned a much-coveted 'A' Grade, a very rare instance for any college which does not have even the building exclusively for itself, not to mention it's much shorter and overlapping time-span. We are proud to say that noteworthy research contributions from faculty members across departments and maximum utilization of whatever resources are available for curricular and co-curricular activities alike have been the essentially enabling factors; they were great and continue to remain instrumental in setting our the aspirations high. If funds from the UGC, recommendations by the NAAC Peer Team and judicious planning on our part cater in synchronicity, a we can certainly raise the bar and achieve-like the 'A' Grade -much more, some of which, even we ourselves cannot foresee now.

MOTTO

The motto inscribed in the emblem of the College upholds the ideals of the Institution. It is taken from the Bhagbadgita:

प्राणिपातेन परिप्रश्नेन सेवया

It is through reverential questioning that one learns, and that knowledge ultimately helps render service to the cause of humanity. The College, with its glorious tradition in teaching and scholarship, continues in its task of disseminating higher and progressive education, holding high ideals of the motto engraved in the emblem of the College. The basic tenet of the institution is:

Pay homage to your Institution, Learn through Questioning, Render Service to Humanity.

"Anyone who has never made a mistake has never tried anything new."

—Albert Einstein

Principal Desk

Bangabasi Morning College a premier educational institute affiliated to the University of Calcutta is located at Sealdah in the heart of the city Kolkata. There is no greater impact than empowering people through education. Our college is place where students find the transformation of themselves into mature, responsible and become an independent adult. It is about learning how to learn. It enables students to open their eyes to the bigger picture and gives them many options to explore. The College established by Prasanta Kumar Bose in 1965 has a glorious past spanning over half a century.

Our aim is to help educate the poor and needy students. The college has a large proportion of first generation learners at the tertiary level. They are constantly helped and guided by the faculty not only in matters of academics, but in anything that pertains to their overall development and progress.

This institute plays an important role in supporting students financially when needed. In addition to the different existing government schemes, the students' aid fund and the college fund contribute substantially to pay for the education of the poorer ones while offering concessions to many.

The college at present runs seventeen under graduate courses. Additionally, we offer post graduate courses in English, Bengali, Hindi, History, Chemistry, Commerce and ENVIS in the distant mode under Vidyasagar University.

The NSS and NCC units are very active in their community extension services. They have extended commendable service in different areas during the pandemic. The college also has a women's cell, an internal complaint cell, SC/ST and a minority cell to address grievances in respective areas. All these units work with the guidance of our respective teachers.

The students' council of the college plays an important role in the overall activities. Every year, they arrange annual sports, picnics, cultural programmes and debates. They also try to arrange small celebrations around the different festivals celebrated in the state. This fosters a feeling of camaraderie amongst all the students. It also organizes regular health check up and blood donation camps for students and staff.

The students, teaching and non-teaching staff have a cordial and friendly relationship which helps in the overall functioning of this institute.

The range and quality of facilities and a comfortable and positive ambience led the college to be reaccredited with A Grade by the NAAC team in 2016.

In the present times, where academics and co curricular activities are being given equal weightage, Bangabasi Morning College promises to help its students to be a part of this race for excellence. Great luminaries have helped this institute to reach newer heights by nurturing not only the minds but the souls too and this tradition continues.

14. Semester Grade Point Average (SGPA) and Cumulative Grade Point Average (CGPA)

- A. 10-point grading system shall be followed for the purpose of Grade Point Calculation, as shown below :

Percentage of	Marks Grades	Numerical Grade Points
90% to 100%	A++	9.0-10
80% but <90%	A+	8.0-8.9
70% but 80%	A	7.0-7.9
60% but <70%	B+	6.0-6.9
50% but <60%	B	5.0-5.9
40% but <50%	C+	4.0-4.9
30% but <40%	C	3.0-3.9
<30%	F	0
Absent	Ab	0

- Numerical Grade Point not be calculated in respect of a failed paper.
- The multiplicative factors shall be 0.10 for all Grades for the purpose of calculating numerical Grade Point.

Example:

If the student secures P%, where P 30 his/her grade point will be $3.0 + \{(P-30) \times 0.1\}$ or simply $30 \times 0.10 = 3$.

If a student scores 52% in a particular paper, his/her grade point for the paper will be $(3.00 + 0.1 \times 22) = 5.20$ or simply, $52 \times 0.10 = 5.2$

SUBJECT COMBINATIONS & TYPES OF COURSES

15. a) Semester Grade Point Average (SGPA)

The Semester Grade Point Average (SGPA) will be the weighted average of the numerical grade points, obtained in all the papers of the given semester where Weights refer to the Credits assigned to the concerned papers. If the Numerical Grade Points obtained by a student in different papers of a Semester are denoted by P, and the credit of the corresponding papers are denoted by C., the SGPA will be $[\sum(P \times C)/C]$ where $i = 1$ to n , and $n = \text{no. of papers in the Semester}$. The SGPA shall be shown in the mark sheet up to the third decimal point.

b) Cumulative Grade Point Average (CGPA)

Cumulative Grade Point Average (CGPA) over six semesters shall be the weighted average of the six SGPA's $CGPA = (\sum(SGPA \times C) / \sum C)$ where $j = 1$ to 6, CGPA Shall be calculated and shown up to three decimal places, SGPA, is the SGPA of the j th Semester ($= 1$ to 6) and C is the total credit of the Semester used for Grade Point Calculation.

The grade of the candidate on the basis of CGPA will be as follows :

CGPA	LETTER GRADE	REMARKS
9.000-10.000	A++	Outstanding
8.000-8.999	A+	Excellent
7.000-7.999	A	Very Good
6.000-6.999	B+	Good
5.000-5.999	B	Average
4.000-4.999	C+	Fair
3.000-3.999	C	Satisfactory
0.000-2.999	F	Fail

Both SGPA and CGPA will be rounded off to the third place of the decimal and will be shown as such on the grade sheet. The grade sheet issued at the end of each semester shall include the total marks obtained in each paper/module as well as the SGPA, the total marks obtained in that semester and the credit earned in the semester concerned. The final grade sheet, on completion of six Semester, shall include the SGPA of six semesters, CGPA, Letter Grade, the marks obtained total marks and the total Credits earned.

Introduction :

Every citizen of the country, male and female, enjoys the right to education and employment in an environment of safety and security. The Constitution of India has strived for gender equality since its very inception. The Sexual Harassment of Women at Workplace (Prevention Prohibition and Redressal) Act, 2013 ("POSH Act") was enacted by the Ministry of Women and Child Development, India, in the year 2013. Subsequently, the Government also notified the Sexual Harassment of Women at Workplace (Prevention Prohibition and Redressal) Rules. In the same year, the Criminal Law Amendment Act criminalized sexual harassment, voyeurism and stalking. The Supreme Court held that any sort of gender-based discrimination or sexual harassment of women at their workplaces, not only violates their rights under Articles 14 and 21 but also their freedom to practice any profession, or carry out any occupation, trade or business, as guaranteed by Article 19(1)(g). Workplace harassment constitutes a human rights violation. In this case, the Court framed certain guidelines, also known as the Vishaka guidelines, relying on the provisions of the Convention on Elimination of All forms of Discrimination against Women ("CEDAW"). University Grants Commission (UGC) recommends the measures for ensuring the safety of women and programs for gender sensitization on campuses. A Women's Cell in institution symbolizes a safety hub for the students. It is also the sign of progression and open thinking. Vision of the Women's Cell of this college is to promote general well-being of female students, teaching and non-teaching women staff of the College and to provide and maintain a dignified, congenial working environment for women and enable them to explore their imminent potential in all aspects.

Everyone is requested to approach Women's cell without any fear. The identity of the harassed person will be kept strictly confidential. Proper steps will be taken according to the guidelines of the Hon'ble Supreme Court of India. Written complaints could be made to Women Cell directly.
